## Small Group Questions

1. How can you offer grace in more meaningful ways to your spouse and children?
2. Why do we let small, generally non-faith disagreements interfere with growing our relationships and building others up?
3. The body should be unified; however there are times when we disagree. What kinds of things are worthy of disagreeing about? When we disagree what should it look like?
4. Joel said there are grey areas that we can agree to disagree on, how do we know what the grey areas are? How do we interact with each other when there are disagreements based on grey areas?
5. Paul says not to destroy the work of God for the sake of food. What are some areas that would be difficult for you to give up for the sake of the body? What are some things you have abstained from for the sake of not offending another believer?
