Israel 2020 (Week 1)

Who is your King?

Small Group Questions

1. Do you feel God's presence more (easier) when you can see, feel, walk in those places where scripture "happened"?
2. How can you encourage others who have doubt - especially as it relates to not having the chance to live in places where the stories from the Bible occurred?
3. How do you let it sink in how much God longs to live in and share your heart?
