

Small Group Questions

1. How does God define what church is?
2. We all have a faith story, a journey of how God brought you from death to life. Have you ever taken the time to reflect on your story so you can share it with those who don't know God?
3. The first church modeled in Acts had relevance then, but what about today? Are things really any different now? Is the need for prayer, scripture study, small group fellowship, and sharing one's testimony/witness any less important? Is it more important?
4. Can you share your story of faith in 5 minutes or less? Have you ever tried? Does it need to be scripted or should it just flow from the heart (if it could without being too nervous to share)?
5. How can couples make sure prayer is a steering wheel rather than a spare tire as they juggle all of their daily responsibilities?
6. What can parents do for their children in understanding and connecting to the Holy Spirit, so that God's presence can be felt and provide guidance that positively alters their life?
