1. Pastor Joel started his message with the sharing of "his story". What was your impression of the structure and brevity of it? Have you begun to develop your own "story" and have you shared it with anyone?
2. Have you spent time fasting in the past? What has that experience been like? If you have not fasted in the past, what has been the reason for your hesitation?
3. Have you ever served someone in the name of Jesus? What was your experience like? Did you do it alone or with other people? What would you change if you did it again?
4. Do you plan on making this group you are in a Life Group? What does that look like and what needs to change for that to happen?
