WHAT IS A LIFE GROUP?

A Life Group is a small, intimate gathering where the Bible is read and discussed, stories are shared, and prayer and service are prioritized. The leaders and members of a Life Group focus on building relationships within the group, transforming their hearts to look more like Jesus, and growing the kingdom of God through outreach and service.

WHY LIFE GROUPS?

Part of living a Christian life is having a maturing personal relationship with God. The product of this type of relationship is being “others focused”. A Life Group aims to help you grow in your relationship with God and encourages you to invest in others’ relationships with God too. Life Groups will strengthen the faith of current believers and will be the perfect environment for those curious about the faith and searching for God.

*“Come, follow me,”
Jesus said, “and I will
send you out to fish
for people.”*

- Matthew 4:19

THE GOALS OF A LIFE GROUP

- Personal spiritual growth
- The spiritual growth of others
- Reaching out to new believers
- Bringing glory to God by helping others become more like Jesus
- Add more believers to the kingdom of God
